

Southeast PTO

Welcome Back

September 2011

Welcome back to another exciting school year at Southeast! The PTO has many fun events planned for the upcoming month and we hope that your family will find the time to help to make these events a success. All parents of Southeast students are PTO members and we encourage you to attend meetings, help to coordinate fundraisers and attend PTO events. We all want to set a good example for our children and one way we can do that is by letting our kids see us volunteer for the greater good of the school community. At present, the PTO is still looking for parents to help with catalog fundraisers, the carnival and the school auction. If you are able to donate some of your time, we would be happy to have your help. Please contact Jessica Higham at 860.786.7392 or by email and she will be happy to help you find a good volunteer option. Again, welcome back and we hope to get to know you all throughout the year.
